

## **CODE OF PROFESSIONAL CONDUCT FOR MEDICAL LABORATORY PERSONNEL**

1. Place the well-being and service of the sick above your own interests.
2. Be loyal to your medical laboratory profession by maintaining high standards of work and striving to improve your professional skills and knowledge.
3. Work scientifically and with complete honesty.
4. Do not misuse your professional skill or knowledge for personal gain.
5. Never take anything from your place of work that does not belong to you.
6. Do not disclose to a patient or any unauthorized person the results of your investigations.
7. Treat with strict confidentiality any personnel information what you may learn about a patient.
8. Respect and work in harmony with the other members of the Suralco Medical Department.
9. Be at all times courteous, patient, and considerate to the sick and their relatives.
10. Promote health care and the prevention and control of disease.
11. Follow safety procedures and know how to apply FIRST AID.
12. Do not drink alcohol during laboratory working hours or when on emergency stand-by.
13. Use equipment and laboratory ware correctly and with care.
14. Do not waste reagents or other laboratory supplies.
15. Fulfill reliably and completely the terms and conditions of your employment.
